## Christea Over-Powered

Aurelia Christea has her room in the Alpha Phi house decorated with pin-up pictures of Marine Lt. Tyrone Power. Not that this is unusual for a college sophomore, but lucky Chris' face appears along side of the movie star in each one. She spoke at a recent war bond rally in Toledo where Lieutenant Power also appeared. Toledo photographers sent her a dozen of large pictures similar to the one above.

Sororities Bid 108 Women;  
Wilder Says 'Pledging Good'

"Women's fraternities on campus have passed one of the most important milestones of the college year by pledging 108 coeds," Dean Audrey Kenyon Wilder said today. Each chapter is keeping several places open for those who didn't make the 2.2 average, and for those who did not pledge at this time.

The women who received bids accepted membership by going to the sorority houses for informal pledging Friday. Several groups also had their formal pledging ceremonies over the week end.

WAA Gives \$300  
To War Relief

More than \$400 was taken in as gate receipts at the WAA carnival Saturday night. Three hundred dollars of this will be turned over to the United War Relief.

The 25 dollar was bond was won by Carl Spilker, freshman from Perrysburg. Dr. Ralph G. Harshman, Dean of the College of Liberal Arts, made the award.

Refreshments were a complete sellout. Forty pounds of wieners and four cans of potato chips were sold long before the end of the evening.

In the South gym, the three floor shows were well attended. Those appearing were Rosalyn Rabkin, military tap, Ramona Carr, soprano, the Alpha Phi Trio, Doreen Stouffer, and Mary Linville.

## COUNCIL MEETS

Student Council will meet today at 4 in Dean Wilder's office.

BG Votes Today  
For Key Beauties

Students will vote today to choose ten campus beauties from the 36 candidates presented in the 1945 Key assembly. From the ten selected, six will be featured in the yearbook, which will be distributed in June.

Wilma Stone, editor, says that the assembly scheduled from 11 to 11:50 a.m., will be similar to last year's.

The following women are beauty candidates. They will be presented during the assembly. Immediately afterward their pictures, unidentified except by number, will be posted in the Well and voted upon by the whole student body.

Candidates are Mary Alice Beeler, Dottie Bishop, Helen Bowen, Maxine Campbell, Mary DeHaven, Wilma Dowling, Dorothy Gray, Ann Hammack, Janet Holtmeyer, Marilyn Johnston, Edith Jones, Evelyn Kibler, Patricia Kroft.

Wilma Larger, Gerry Leak, Janet MacDonald, Kathleen McDermott, Beverly Milns, Martha Murphy, Jeanne Powell, Mae Bell Reece, Phyllis Reetz, Janey Rothe, Eva Marie Saint, Ruth Schill, Verena Schumaker, Portia Seamans, Mary Sitterle, Katie Lou Snyder, Marita Snyder, Dottie Spitzer, Betty Stephan, Jean Swick, Elizabeth Thompson, Mary Tomlinson, Gloria Wissler.

77 Volunteer  
To Give Blood

Although more than 100 students volunteered to donate blood next Wednesday when a Bowling Green school bus will take a group to Toledo, there is room for only 40 to go.

The other volunteers will be taken to Toledo or to Findlay later on in the year when Red Cross mobile blood units are there.

Five V-12s have received permission to go with the group. Others are civilians, the majority. Others are civilians, the majority under 21 years old.

The prospective donors are Mona Lou O'Shannessey, Margaret Reynolds, Janis McGlenen, Arlene Lunggard, Norm Klee, Ruth Keilshorn, Shirley Fitkin, Opal Ford, Peggy Grispy, Madelyn Bahnsen, Joan Bostdorff.

Martha Connalley, Jim Vieland, Virginia Dawe, Marilyn Gebhart, Phyllis Tilton, Jean Harshman, Eileen Root, Bonnie Romberger, Leota Beach.

Cecile Hale, Janet Shelmeline, Martha Reiss, Jean Pugh, Ann Alexander, Marcia Hachtel, Gloria Speers, Kathleen Price, Pat Schweitzer Smythe, Dorothy Gray, Lorain Stillin, Martha Murphy, A/S Bob Harvey, A/S Bob Deuchler, A/S Jack Bomar, A/S Jim Maynard, and A/S Bill Laurent.

The project of sending students to the blood donors while a mobile unit is in Toledo originated with Norma Jean Hahn, freshman, and Prof. Sidney Stone in whose class she made a speech urging students to donate blood.

Norma Jean and Professor Stone, both volunteers themselves, then made arrangements for appointments for 40 donors and for transportation for them to Toledo with the local Bowling Green Red Cross headquarters.

Others who have volunteered but must wait to donate later are Ruth Spacek, Iris Ziegler, Mary Fleig, Kathryn Qort, Lois Simpson, Marilyn Gebera, Gloria Kritzer, Mildred Badin, Veina Lawrence, Janet Smith, Mary Triplett, Ethyl Sickmiller, Mary Sexton, Jean Evans, Marilyn McKinlay, Ellen Treece, Joyce Schneider.

Rosemary Romaker, Donna Rech, Edna Wright, Maralee Moore, Alice Jean Plotter, Lenore Bucey, Mary Ann Koeppe, Lois Reed, Pat Barton, Wilma Larger, Lois Church, Helen Dermady, Margary Pistell, Mary Hapfinger, Blanche Spangler, and Virginia Corrigan.

These volunteers signed to donate blood when asked by members of the speech class in which the original Donate-Blood speech was given by Norma Jean.

Fives Will Wear  
SAE Pledge Pins

Five Brothers Fraternity, who last week received its charter as a branch of Sigma Alpha Epsilon, has received permission from the national headquarters in Evanston, Ill., for actives and alumni to wear the official SAE pledge pin from now until the time of their initiation into the national chapter the weekend of May 23, 1945.

The local fraternity members have voted to call this chapter the Ohio Kappa chapter of SAE, after Clayton C. Kohl, late faculty adviser for the Five Brothers, and head of the University sociology department.

Since 1922, the Five Brothers have initiated 514 members. At present there are 248 members in the armed services, and four gold stars in the service flag. The newest pledges to be initiated into the local are A/S Bob Bohl, A/S Jerry Sessler, and A/S Dave Morgenroth, who received their degree Wednesday.

## FLASH

According to United Press, sponsors of the national invitational basketball tournament listed DePaul, Tennessee, West Virginia, Kentucky, Bowling Green, Hamline, Valparaiso, Muhlenberg and defending champion St. John's today as the teams getting top consideration for bids to the eighth annual meet which begins in Madison Square Garden on March 17.

## Stop That Cold!

Do you have a cold?  
Are you troubled with a dripping nose made even more miserable by the Kleenex shortage?

Do you keep your roommate awake at night by coughing?

Johnston Health Center (it is significant that the word "health is in that name") has given a few hints on how to prevent the cold germ from catching up with you or what to do to end a cold as speedily as possible.

First, you should get the extra hour of sleep you've been throwing away at the Nest. It is not a bad idea to get at least eight hours of it, too.

Second, a balanced diet and plenty of water will keep that healthy, happy look on your face.

Hospital authorities urge you not to cut classes to get extra rest and not to wait until after a week end to appear at the hospital for treatment.

Drink glasses and glasses of fluids—water and fruit juices, not cokes.

If all this fails, and you awake some morning with a wheeze in your throat and a nose that defies breathing through it, go at once to the University hospital for treatment.

First Home Swim  
Meet Is Saturday

Wooster comes to Bee Gee Saturday for the first home swimming meet of the season. The Natatorium opens at 2. No Ac cards are needed.

Bee Gee's team is waiting its opportunity to make good on the defeat they suffered two weeks ago in the opponent's camp. Starting promptly at 2:30 the boys will provide plenty of action. It is hoped that Kay Burns will be able to establish new pool records in several events.

While the Scots boast a powerful aggregation of mermen, Falcon Natators will have a much better opportunity to sound the victory bell than they have had in the past. The fact that they will be in their home pool; will not have the long trip to make; and above all that, several of the better swimmers are back in the brinyless brink. Eddie Ravusin, ace breastroker has returned to the roster after a time in sickbay and Frankie Kraymer may well break the chains of ineligibility by splash time.

Wooster will be counting on Lennin to take the freestyle events, Marwick to win the diving, and Hull to grab off a five pointer in the breaststroke.

YMCA Sells 750  
BGSU Directories

For the past week the annual Student Directory has been on sale in the Well of the Administration Building. The Directory is sponsored by the YMCA and is published through the efforts of its campus members. About 750 copies were sold. There are still a few available in the bookstore.

This ninth edition of the Y Directory, dedicated to the class of 1948, has listed the names, home addresses, local addresses and telephone numbers of students and faculty.

Members of the staff include: John Burden, editor; Lawrence Hanline, advertising manager; Professor Leon Fauley, adviser; and Gordon Ward, Kermit Lytle, William Zimmerman, Cosmo Plotts, Kaye Burns, and Turley Rhinehammer.

Prof Broadcasts  
Price Control Talk

War time problems of price control was the subject discussed on the University broadcast Tuesday at 3:15 p.m.

Prof. L. F. Manhart, assistant professor of business administration, was interviewed about the situation by Prof. Sidney Stone, faculty sponsor of the broadcast.

Professor Manhart is the district economist from the Toledo District Office of Price Administration. Last year he was on leave of absence from the University, who "lend-leased" him into the OPA.

Students Should Pre-Register  
During First Week in February

Pre-registration plans for the first week in February for the civilian student body have been announced by Dean Ralph G. Harshman, acting registrar. All students are to pre-register for the second term unless they know definitely that they are not returning.

In order to avoid the rush March 1, the Business Office will receive fees during the week of February 19-23. If fees are not paid then, they must be paid March 1. A penalty of \$1.00 for late payment of fees will be charged after that date. Board and room may be paid on or after

March 2, but must be paid before March 12. Students who pay their registration fees during the week of February 19 need not report until Friday morning, March 2, the date of the first class meeting.

The general plan for pre-registration is:

1. Each student see his adviser at the time scheduled below.

2. The adviser will make a list of courses that he should follow.

3. The student will take the course list to the Registrar's Office and receive assignment of hour, room, and instructor for each class. All registration blanks will be given out. These blanks must be filled out and returned to the Registrar's Office within two days after receiving them. A late registration fee of \$1.00 will be charged to those failing to do this.

The Pre-registration Schedule is:

Monday, Feb. 5.....Seniors  
Tuesday, Feb. 6.....Juniors  
Wednesday, Feb. 7.....Sophomores  
Thursday, Friday,  
Feb. 8 and 9.....Freshmen

College of Liberal Arts—Daily 9:00-4:00—Dean Overman's Office.

College of Business Administration—Daily 9:00-4:00—Dean Harshman's Office.

College of Education—By major field at Adviser's Office as listed below.

Elementary Education:

Dr. W. C. Hoppes—9-11 daily,  
2-5 daily—office—Training School

Dr. H. C. Witherington—11-12 daily, 4-5 daily—office L.S.

Prof. W. S. Huffman—10-11 daily, 4-5 daily—302 Practical Arts Building

Dr. W. A. Zaugg—10-12 daily,  
2-5 daily—office

English:

Dr. Rea McCain—10-12 daily,  
3-5 daily—office

Miss Grace Durrin—10-12 daily,  
3-5 daily—office

Social Studies:

Prof. John Schwarz—11-12,  
Monday, Wednesday, and Friday;  
10-12, Tuesday and Thursday;  
4-5 Monday, Wednesday, and Friday; 2-5 Tuesday and Thursday—office

Dr. C. G. Swanson—4-5 daily;  
2-5, Tuesday and Thursday—office

Science:

Dr. C. H. Bennett—9-12, Monday and Tuesday; 4-5, Tuesday, Wednesday, and Thursday—8-11, Thursday; 3-5, Friday

Dr. Clare S. Martin—1-4 daily—office

Dr. C. H. Otis—9-12, Monday; 3-5 Tuesday—office; 1-4, Wednesday and Thursday; 8-10, Friday

Mathematics:

Prof. A. N. Gryting—8-10 daily;  
4-5 daily—office

Prof. W. F. Cornell—2-5 daily—(Continued on page 4)

Speakers Meet At  
Western Reserve

Three Bowling Green students, Patricia Cloos, Glenna Smith, and Betty Krabill, represented the University at the Northeast Ohio Legislature which met at Western Reserve University, (Cleveland), Jan. 20.

The Northeast Ohio Legislature meets annually to give college students practice in parliamentary procedure.

Six schools which sent a total of 50 representatives to the Legislature were Kent State, Baldwin-Wallace, Bowling Green, Western Reserve, Notre Dame College, and Hiram College.

At the morning session of the Legislature representatives were assigned to committees and the permanent officers elected. The general assembly convened in the afternoon and ten bills were introduced, discussed, and voted upon. Betty Krabill introduced a bill favoring international organization, and Patricia Cloos introduced a bill to reduce the voting age to 18.

Patricia Cloos and Glenna Smith were appointed to the Committee on Social Welfare. Betty Krabill was chairman of the Committee on Foreign Affairs.

Lois Ferris

two other films, "Pvt. Snafu" and "To the Ladies," indicate the necessity for malarial control and explain how the women of America are responding to the war effort, why and how they are needed.

Lt. Joseph Barnes will introduce the films and Sgt. Purcell, the first woman to become Master Sergeant in the WAC's, from Washington and Crile General Hospital, will tell of the work being done by women in hospitals.

Each dormitory and each house, as in the past year, will select one allied country as its individual project and will choose one special phase in aiding this country. In addition, each residence will raise funds by benefits, teas, and card parties, turning the proceeds over to the War Relief.

Chairmen that have been elected in the sorority houses are Gamma Phi Beta, Laura Jane Ash; Alpha Phi, Alice Yoder and Joanne Jones; Delta Gamma, Jean Hanna; Alpha Xi Delta, Jene Kohls, and Alpha Chi Omega, Helen Panasuk. Chairmen are yet to be appointed in the dorms.

PiKA's, BGSU's  
Pledge 26 Men

Dean A. B. Conklin announced the pledge list of Pi Kappa Alpha. Those who have received bids are Carrol Keyser, A/S; James Pace, A/S; Kenneth Adams, A/S; Joseph Prebeg; Dominic Spoto, A/S; Peter Dalia, A/S; Vernon Graham, A/S; Richard Gates; Stefan Bucek, A/S; Galen Winter, A/S; Kenneth Sprengel, A/S; Maurice Michener, A/S; La Von Haver; Norman Schulte, A/S; William Thomas, A/S; Milton Young, A/S; William Rickel, A/S; John Zaleski, A/S; Jack Acton; John Heinkes; Grover Griggs; William Vroman, A/S.

Pledges to Beta Gamma Upsilon fraternity are John Dempsey, A/S, Cleveland, Roland Moeller, Minster, Howard Roby, Fostoria, and Herbert Roether, Perrysburg.

## Third World War?

So you think there shouldn't be a third world war?

So you wouldn't like for instruments of destruction to come winging over the top of the world and make Minneapolis and Mankato into a Cologne and a Coventry?

So you wouldn't like for the babies now crying in their mothers' arms to have to go out some day and kill or be killed?

Well, you can do something about it.

Every time you walk into a classroom in geography, history, sociology, political science, or economics, you can do something about it. Only an America which knows the world, its people, and their relations with one another can prevent a third war.

When you walk into a classroom in health or physical education, you can do something about it. Only a healthy America can be a straight-thinking America.

In your science classes, you can learn the physical basis and the physical relationships of all life. In your English classes, you can learn to make your mind work better, and can learn the ideals that humanity needs to know if there is to be peace. In your fine arts classes, you can learn some of the things that make life meaningful and beautiful.

And when you walk into a classroom in education, you can learn how to transmit to another generation the knowledge, the ideals, and the beauty that you have discovered. You can learn how to help create a straight-thinking America that can make impossible a third world war.

So you think these shouldn't be a third world war? Well, it's up to you.—The College Reporter, Mankato State Teachers College, Mankato, Minn. (ACP)

## Miami Tops State

Miami University, one of the five state universities in Ohio, has been chosen "the outstanding college of all Ohio colleges for the year 1944 in war bond activities."

This choice of "college of the year" was made on the basis of a report submitted by each college chairman November 5 outlining war bond activities to that date. Schools were judged on total campus organization and administrative effort, support of local newspapers and radio, special activities and programs and total per capita sales of bonds and stamps. The choice was made by the War Finance committee of Ohio, according to The Miami Student.

**This announcement should make all Bowling Green State University students ashamed.**

It was not until after November 5, the date set for the summing up of war bond activities for the year, that Bowling Green even appointed a war bond committee or attempted any organized campaign to aid the various bond drives.

Not until late in the Sixth War Loan did the Student Council set up a group responsible for the boosting of war bond sales on the campus.

True, this committee, after it once organized under the leadership of John Dempsey, V-12, did a good job.

Let's continue to back the war effort; let's not let our fellow universities get ahead of us. In 1945 let us all work hard to make Bowling Green one of the most outstanding of all Ohio colleges in war bond activities.

## - Someday She'll Come To BG -

"She was voted The Girl-Most Likely-To-Mature-Before-Her-War-Bonds."

## Miss Charlotte Skene Gives Speech Correction to 17

Seventeen University students are now being helped by Miss Charlotte Skene to correct problems in their speaking.

These 17 were found to have speech defects of some kind by their instructors in speech classes.

Miss Skene, who teaches a class of education students how to correct speech faults, spent the summer at the University of Michigan where she was one of 11 clinicians aiding in the University Speech Clinic.

There 25 discharged World War II veterans went through a six-week course designed to cure or help stuttering which was precipitated by military service.

18 to 25 Years Old

These veterans, all between 18 and 25 years old, might have had the tendency to stutter before entering the armed forces, Miss Skene said, but they did not stutter noticeably until brought under the strain of military training.

The worst stutterers, she said, were two who had been in the Sicilian campaign.

The intensity of their military training caused the breakdown of their nervous systems and thus social maladjustment: stuttering.

Some showed marked improvement after the six weeks of training while others did not change at all.

Pattern Same at University

The pattern used in correcting speech problems is the same here as at the Michigan clinic, Miss Skene said.

1. The patient is relaxed.  
2. He is persuaded to face his problem clearly. (This is especially important.)  
3. He is given speech drills and training to overcome his difficulty in speaking.

At the University of Michigan clinic, doing research this summer on the problems of returning soldiers, the 11 clinicians—including Miss Skene—spent from 9 a.m. to 5 p.m. with the 25 veterans who volunteered for the training. Although the veterans paid for their board and room during the six-week period, the training was financed by the University as an experimental research program.

Trainees' Special Projects

In addition to practicing speech drills, the trainees had special projects in speaking. They formed a club, participated in drama and singing, but most important, "realized that there were others with the same problem all over the United States."

"The whole man speaks," Miss Skene emphasized. If there is anything wrong with him physically, it will show in his speaking.

## Feeble Fables

By Bob Bashore, A/S

Hello...

Gob: "How are you this evening, honey?"

Gal: "Lonely."

Gob: "Good and lonely?"

Gal: "No, just lonely."

Gob: "I'll be right over."

Generous...

"Would you donate five dollars to bury a trombone player?"

"Here's thirty dollars. Bury six of 'em."

Daffynitions...

Gossip—A person with a keen sense of rumor.

Figure—What if a gal doesn't look after the men won't.

Trouble—What you get with-out a lot of trouble.

Poem to Bulkhead...

I think that I shall never see

A dog pass by my front yard

tree!

Rationing...

One cannibal to another cannibal: "Buurrp! Excuse me—must be somebody I ate."

Say abhhhh...

Doc: "You must avoid all forms of excitement."

V-12: "But, doc, can't I even look at them on the street?"

Curdle of the deep...

My breakfast lies over the ocean,

My dinner lies over the sea—

My tummy is in a commotion,

Don't mention my supper to me!

Miss Charlotte Skene

## The Editor's Mail

Editor:

I wish to express our appreciation for the editorial that you wrote on debating and especially on men's debating. Those of us who work in the less spectacular activities are always happy to receive such favorable notice.

Yours sincerely,

Wayne N. Thompson  
Director of Forensics

Editor's Note: For obvious reasons, the name of the V-12 trainee who wrote this letter is being withheld.

Editor:

There has always been a certain amount of friction between the civilians and the Navy here at Bowling Green, but this semester there seems to be an increase. The women on the campus think, and rightly so, that there's too much conceit, yes conceit, in the sailors here. They have instances to prove this statement.

"Oh, there are so many girls here that they will have to chase me for a date now" is the familiar cry of the V-12's that has become the most irritating. Do the sailors think they're a bunch of Clark Gables or Frank Sinatras? If they do, they're pretty wrong because to the women, they're only some fellows that the government is sending to the University.

Maybe it's time to remind the fellows of Sadie Hawkins Day last spring. The whole term before that the conceit rode high saying, "Let them wait. There's still plenty of time, and all of them can't get dates anyway."

But the women sure put them in their places when they had their day. Remember hearing several of the men calling up the women's dorms and asking, "Hey, what's the matter with you girls? Aren't you dating?" Quite a shock, wasn't it.

Remember, fellows, the women don't have to date you. You should feel lucky to get a date and not make the woman feel as though you're doing her a favor by going out with her. Let's knock it off and get on the ball.

"It's quite possible that most of the friction would disappear if you men would stifle your conceit. Make this pledge and imprint it on your brain: 'I came, I saw, and I will conquer my conceit.'"

Sincerely,

A/S

Old stuff...

Explorer: "We were surrounded by natives. They uttered savage cries, danced madly and beat the earth with their clubs."

"Sounds like golf," said the bored listener.

## Nestward, Ho!

## Bang! Bang!

IT'S ALL OVER

But the shooting. Weary sorority gals, nerve-shattered rushees, and exhausted house directors all welcome the close of rushing. By Sunday afternoon the campus had returned to normal, with pledges proudly displaying their brand new pledge pins. Now there's nothing left to do but study.

SO DISAPPOINTED

Was Jeannette Klotz. The other day the Klotz Florist delivery truck stopped in front of the "Barn" where Jeannette lives. Out jumped the boy and handed Jeannette—no, guess again—a letter. It seems that her mail had gone to the florist shop by mistake. But wasn't it nice of them to return it to her?

FIRE!

Shouts Pat O'Brien dashing through the halls of the Women's Building clad in pink pajamas and a red fire helmet. She's just been elected fire warden and is getting in training.

By the way, what's become of all those fire drills we used to suffer in the middle of the night last year?

BATTY

The Women's Building has its share of scares, too. A bat flew in the window of the smoker the other night, sending 15 frightened freshmen huddling into their 15 respective beds.

HERE TODAY, GONE TOMORROW

Lil' Mary Helen Jaynes has spent more

time in the last 10 days off campus than on. One weekend she went to Chicago to the Midshipmen's Ball with THE man, Jack Lietner. Then back to Bowling Green, just long enough to pack her suitcase before going to see him again during his leave. But all good things must come to an end. He's on his way to Florida right now and Jaynes is back on campus going to classes with a dreamy look in her eyes.

REMEMBER WHEN?

We couldn't dance in the Nest on Sunday... there were ash trays in the Nest... the PiKA's used to serenade the freshman dorms with Lee Miesle and Phil Miles doing the solos... we had 10 minute blackouts... the Army Reserves were getting ready to leave at least once a week... Lucky Strike green went to war and took Lucky Strike with it... there were Junior-Senior proms... the Kampus Kats played at all the dances... the Bee Gee News of Jan. 20, 1943 carried a gripe about there being no matches in the cigarette machine at the Nest... we used to go to Toledo for a coke after the dance...

GLAD TO SEE

WAVE Barbara Turner on campus last weekend. And will Dick Seemans be glad to see Gloria Speers when she goes down to Arkansas with his parents to see him next weekend!

## Bee G.I.'s

## Jim Sullivan Killed

Edited by Helen Bowen

Cpl. James Sullivan, x'45, was killed in action in France Dec. 22. Jim attended BGSU from 1941 to 1943. He was on the sports staff of the Bee Gee News and was a member of Pi Kappa Alpha fraternity.

The next article is reprinted from the base newspaper at Turner Field, Ga. "A new Turner Field record, and possibly the highest mark ever received by anyone in the entire Eastern Flying Command, was hung up here when Aviation Cadet E. A. Avery, x'43, made a score of 98 in his PFR (Physical Fitness Rating) test. He bettered a record established last October of 95. In receiving the 98 Avery did 114 sit-ups, hoisted his chin over the horizontal bar 24 times, and ran the 300-yard dash in 43 seconds. At Bowling Green State University where he studied for two years, Cadet Avery was on the wrestling and weight-lifting teams. While at Palmer Field, he won the award of outstanding athlete of his class. Instructors at Turner's physical training department believe the 98 score will stand for a long, long time... unless superman himself puts in an appearance."

S/Sgt. Carl Barch, x'44, is no longer in Australia, but is in the Dutch East Indies. In commenting on the women in Australia, he should put many American girls at ease,

for in his opinion, there is nothing to worry about. Although some of the men have married girls there, the majority of the men are waiting to get home before they make up their minds. His address is S/Sgt. Carl E. Barch, 15300183, Det. 39, 140th AACs Sqdn., AAF, APO 565, c/o PM, San Francisco, Calif.

Edna M. Schuhart, x'37, the former Edna McCormick, is a Lt. (j.g.) in the WAVES. She entered the WAVES a pharmacist's mate second class in October 1942. Before entering the service she was a medical technologist. Now Lt. Schuhart is attached to a Medical Battalion with the Marines at Camp LeJeune, N. C.

Harold Mehlow, x'42, is in the Mariannas. He has completed three missions, all of which are secret. On the Mariannas there is no ice, so all the drinks are warm, so, one of the things they miss most of all is ice. It is one of the few islands on which there is no malaria. They have softball leagues set up and games are held regularly. Lt. Mehlow is a member of the Five Brother fraternity.

Donald Longworth, x'43, is teaching illiterate soldiers to read and write at Camp Chaffee, Ark. His address is Co. G, STU, WD/PC, Camp Chaffee, Ark.

## Column Right!

## Bulkhead's Buddy

By Bernie Block, A/S

BULKHEAD, J.G.

Bulkhead again breaks into the news at Kohl, but this time it is the accomplice who receives the glories. A little black dog, half cocker-spaniel and half we-don't-know-what, has been seen incessantly playing with Bulkhead.

The fellows have not found a name for the "half and half" as yet, but Charles Clark comes fourth with this excellent suggestion of "Bulkhead, J.G." We agree with him and recommend that "half and half" be so named, providing he is around long enough to officially receive it.

The curtain comes down... There are not that many inches to spare.

A SUCCESS STORY IS TOLD

OF A GOAL—NOT GOLD

Once upon a time there was a sailor, Elbert Clift by name, who was not up to his learning. In fact he was on the restricted list and did not enjoy the privilege of having a week end liberty once a month. He determined to raise his grades so as to enable himself to get a week end a month.

That is our success story. Clift achieved this goal last week. Here, we hope, is a story for all who are in the same position to strive a little more and reap the rewards of hard work.

COLLECTION FOR CAUSE

MAKES THE NAVY PAUSE

While concentrating on the variety of thoughts in the sanctuary of their rooms. During this present infantile paralysis drive the Navy men on the campus have pitched in. Part of the credit must go to Norman Dreyer, who has patiently made the rounds of the rooms each night and collected the dimes and quarters of each and every man in the building.

JAM SESSION

Benny Goodman and his famous sextet has nothing over BG's "after-dinner quintet" which has been jiving away around the piano

in the mess hall, for the past few nights. (If you haven't noticed already I'll tell you... most of the activities take place at night.) The customary after-dinner singing is also included in the festivities.

The quintet really "rocks the joint" when they are in full swing. On the piano is Ed Petosa, who will send any jitterbug out of this world. Bob Hyland, guitar, backs up the boogie-woogie from Pete's left hand, while Bob Bohl swings it on the clarinet. Tony Piano emits hot licks from his trumpet as Bob "Feeble" Bashore vainly matches T. Dorsey on the trombone.

The crooning is done by any number of Navy men who happen to gather around this after-dinner five... and so starts the end of the music and the end of jam session.

A BITE INTO SIX

MAKES QUITE A PIX

To explain... The six is a six inch celluloid ruler, and the pix is the slang for the picture. Now that the scenery is all set for the production... the curtain slowly rises.

The main actor steps onto the stage in the person of Henry Beyer. He pulls out a ruler and starts biting... Time passes on... We again catch a glimpse of Hank gnawing away on the ruler. It is no longer six inches but five and a half... Time marches on... Hank again—gnaw—five inches...

LAUGHS OF THE WEEK

English class... James Pace speaking... "This tri-weekly train, running between Detroit and Adrian, is the one that goes down one week and tries to get back the next"... "Then there is the 'Chicago Express' which runs to St. Louis."

It was during the performance of the diving TBF Avenger the other week that this laugh hits the limelight. After about the third dive over the building Dr. Alden asked, "What would happen if his C.O. would find out about this diving?" Came the quip back from somewhere in the room, "They'd probably drop him from the program."

by Sid Freeman

WHEN Wyndol Gray scored 25 points at Great Lakes last week, it was almost as if the clock had turned back to the 1942-43 season when the spider amassed a total of 503 points to set a new state scoring record.

That season Gray made an average of 22.8 points a game. The team as a whole, however, averaged below 50 points a contest, which is quite a bit less than the average 68 the team is currently racking up a game.

Although this year big Sid Otten is high man on the team in the scoring column as well as in stature, this season has found the Falcon scoring to be more or less of a team affair. It would be hard to put your finger on the most valuable man on the squad this season if you were going to do it by looking at the scoring records.

That philosopher who said it takes five men to make a team evidently knew what he was talking about.

Sports fans who followed the Bee Gee News sports page in '42-'43 will be sorry to hear that sports columnist Jim Sullivan was recently killed in action in Europe.

BIG SID Otten (not to be confused with little Sid Freeman) was the subject of a cartoon that ran in the Boston Globe last week prior to the Long Island game. The cartoonist seemed to be worried that Sid wouldn't be able to get through the Boston Garden's doors because of his height.

## Falcons Trounce LIU 72-51; Break Two Gardens Records

by Bob Smith

After a nip-and-tuck battle throughout the first half, the Bowling Green Falcons came to life and unleashed a terrific scoring attack to overwhelm a strong Long Island University team in the Boston Gardens Friday night by a score of 72 to 51. This win gives the Falcons their 12th victory in 13 starts.

The largest crowd ever to witness a New England basketball game was present, according to an International News Service dispatch, as 6185 spectators gathered in the huge Boston Gardens.

### Otten Sets Record

Sid Otten, the Falcon's 6 foot 11 inch center, set a new Garden scoring record of 27 points. Otten scored 11 field goals and five out of nine attempted free throws to get his total.

Play was very close during the first half with the Falcons managing to keep in front, leading by a slim 26 to 25 margin at the half-time period after holding an 18 to 16 lead at the quarter.

It was different in the second half, however, and the Falcons amazed the large crowd present with a dazzling display of floor-work and scoring. After this sudden burst into life, the Blackbirds were swept off their feet and easily overcome.

### Gray Opens Attack

The second half attack opened with Wyndol Gray dropping four quick baskets through the mesh, followed by Sid Otten's five goals and three gratis shots. The Falcons scored 27 points in the third quarter while holding the Blackbirds to 15 and Bee Gee led 53 to 40 at that point.

After their slow start the Falcons undoubtedly played one of their best games of the season, reoperating in fine shape from the Great Lakes setback.

### Plays Sensational Ball

Wyndol Gray continued to display sensational basketball, along with Otten who scored the highest total of points in his basketball career. Joe Siegfert, Johnny Payak, and Don Whitehead each contributed to the teamwork with a fine display of defensive and offensive tactics and certainly deserve their share of the credit.

Otten topped the scoring with 27 and Gray was next in line with 21, scored on an amazing variety of shots. Meinhold, Blackbird center, paced his team with 17.

In the second game of the twin bill Baldwin-Wallace succumbed to a second half drive and lost 46 to 33 to Rensselaer Polytechnic Institute of New York.

## Men Start Play In IM Tourney

Acting intramural director Valle Diodic has announced the teams, schedules, and rules for the intramural basketball leagues that started Monday will last through February 12.

An "AA" and "A" league have been formed composed of six and eight teams respectively. These teams will play each other in their respective league, and the team with the highest percentage will be the winner. The winner of each league will then play for the championship which will be decided on a basis of two games out of three.

The teams represented in the "A" league, their order in the league, and their managers are: (1) A.T.O. no. 1, Cosmo Plotts; (2) Buckeye, Marion Griffith; (3) Company 2, Platoon 2, John Donohue; (4) Five Brothers no. 4 Pledge, J. Martin; (5) Company 3, Platoon 2, H. Kaellner; (6) Five Brothers no. 3 Pledge, J. Martin.

The teams in the "AA" league are: (1) Pole Cats, Gearhart; (2) Five Brother Pledge no. 3, J. Martin; (3) Fleet Team, T. Young; (4) Phi Kappa Alpha, Nick Werling; (5) S.A.E., J. Martin; (6) A.T.O. no. 2, Cosmo Plotts; (7) Rambling Wrecks, Jack Schultz; (8) Five Brother Pledge no. 1, J. Martin.

## They Turn Backflips and Hope You'll Rah Rah

"Cheerleaders are to lead cheers, not to yell by themselves," explained Edith Doerr, freshman cheerleader, when questioned about the spirit of the student body at Falcon games.

The present staff of cheerleaders includes Erv Potts and Opal Corder, veterans from last year's squad, and June Smith, Betty Attmore, and Betty Breneman. The staff was set up by Dick Herring, former sports editor of the Bee

Gee News, and was selected after tryouts were held.

The new white sweaters with the BG emblem were purchased so that all cheerleaders would be uniform in dress. At present time a rotation system is being used so that all of the cheerleaders will not have to participate at all the home games.

### Not a Club

Although the cheerleaders are not organized into a club, they do meet once a week for practice to work out new routines and new yells. The first few weeks of practice were accompanied by hoarse voices and groans from aching muscles, but practice now has turned into a period of enjoyment, the cheerleaders commented.

By the end of football season Potts had skillfully perfected the back flip only to find that the remainder of the tumbling quartet was unable to participate during basketball season. However, much color is added to the games by the femininity of the rest of the squad.

### Like Their Jobs

Cheerleaders like their job or they wouldn't have chosen it, but many times they do wonder why the fellow in the third row is laughing or why the girl down at the end of the bleachers isn't

## B-W Invades BG Saturday

Baldwin-Wallace's Yellowjackets, pictured above, will play the Falcons here Saturday night. B-W's Popp, Swegan, and Ruskowski are all six footers.

### Five Winners Play

Winners of five women's round robin badminton tournaments will meet soon to determine the women's champion team.

The teams which will play in the final elimination tournament are Ruth Lenert and Jacqueline Greenhill, June Widner and Marilyn Geber, Jean Whitacre and Mary Alice Wolfe, Alfreda Kiedrowski and Kathleen Rataczek, and Ruth Marshal and Alice Viemeier.

### Out On a Limb

With Smitty

All is well out on the limb. Yours Truly picked five out of six winners last week, the only setback being Great Lake's loss to Notre Dame Saturday night. My average at the present stands at a fat .833. So far so good.

Running true to my predictions Bowling Green, Akron, Baldwin-Wallace, Denison, and Miami came through with victories over Long Island, Oberlin, Ohio Wesleyan, Oberlin, and Ohio University respectively.

Here goes again:

BG over Ohio Wesleyan 29 pts.  
BG over B-W by 28 pts.  
BG over Denison by 27 pts.  
Oberlin over Rochester by 3 pts.  
Denison over Lockbourne by 9 pts.  
Denison over Ohio U. by 18 pts.  
Notre Dame over Kentucky by 16 pts.  
Ohio State over Purdue by 9 pts.

## Play 3 Games In Seven Days

After getting back in the victory column with their 21 point win over Long Island University, the Falcon basketball team will open a three game stand this evening with Ohio Wesleyan furnishing the opposition. On Saturday evening Bee Gee will entertain the strong Baldwin-Wallace team, and next Tuesday Denison will come here for a return contest.

### Bowling Green—Ohio Wesleyan

The Bishops have been giving several of the strong Ohio teams very good games and most of their defeats to date have come by small margins.

The visitors squad of 15 players will average around 6 foot and will consist of 13 Navy V-12 students and only two civilians. This will be the first of two meetings between the two teams with the Falcons traveling to Delaware in February for the second game.

### Bowling Green—Baldwin-Wallace

Coach Ray Watts will bring his Baldwin-Wallace Yellowjackets here Saturday evening in an attempt to knock the Falcon team from its standing in the list of the nation's top-flight teams. This contest should be a thriller and one that Falcon fans will not want to miss.

Johnny Popp, Don Swegan, and Hank Ruskowski, all standing 6 foot even, are the mainstays of the Yellowjacket squad and account for most of their team's scoring.

The B-W squad of 16 consists of eight Navy V-12 men and eight civilians with only two holdovers from last year's team.

### Bowling Green—Denison

The Big Red from Denison will play against the Falcons again next Tuesday. Bee Gee already has one victory over Denison, winning 69 to 45 in a hard-fought contest two weeks ago.

Forward Blen Culp, the Big Red's skilled fast-break artist who stands 5 foot 11 inches, will head the visitor's scoring attack. He accounted for 19 points in their first game with Bee Gee.

### LATEST!

OBERLIN, O. (Special)—Bowling Green's mermen met the Oberlin swimming team here yesterday afternoon for the Falcons second meet of the season.

The score was:  
Oberlin ..... 43  
Bowling Green ..... 32

## 200 Women Take Part In Basketball Tournament

Approximately 200 women are now participating in women's intramural basketball. Nine teams are playing in the Monday-Wednesday league and eight teams play in the Tuesday-Thursday league.

Each league is playing a round robin tournament. The first one will be completed soon.

## Alpha Chi, Women's Building Sponsor Weekend Dances

Disc dances have been scheduled for Friday and Saturday nights of this weekend.

The PEP disc dance Friday night is being sponsored by the freshmen of the Women's Building. Theme of the dance is a secret—but the time and place are headline news. It's Friday night in the Rec Hall, from 8:30 to 11:30. Louise Crider is social chairman for the building.

Alpha Chi Omega's Heavenly Hop will follow the basketball game Saturday night. It too is being held in the Rec Hall, and will last till 11:30.

General chairman of the dance is Joyce Keller; working with her as committee chairmen are Helen Fling, Hilda Krill, Dot Raines, and Lois Perrin.

## Newman Club Elects Officers

Members of the Newman Club elected Eleanor Cira president for 1945 at its first meeting Thursday.

Other officers elected were Ruth Proudfoot, vice president; Myra Davis, secretary-treasurer; Mary Couture, social chairman; and Joann Etzel, publicity chairman.

The next meeting will be Thursday, January 25 in the Rec Hall. All Catholic students, civilian and V-12, are urged to attend these meetings.

## Stouffer, Main Speak to Club

Doreen Stouffer and Dorothy Main of the Speakers' Bureau presented a program of monologues and novelty numbers before the North Troy Mothers' Club January 17. January 24 they will present a similar program before the Bradner High School.

"Happy Journey," one-act play, will be presented at Holgate School on January 23. Members of the cast include Kay McDermott, Carnot Allen, Joanne Jones, Miriam Fischer, Ruth Willey, and Olan Dunlap. Patricia Meil is student director.

contemporary problems. Over the two-year period, well over a hundred students have taken part.

The discussion is one in a series of intramural events being planned by the speech department for the coming month. On Saturday afternoon, February 3, the intramural debate tournament will be held on the question of Compulsory Arbitration, and February 19 contests in extempore speaking, oratory, peace oratory, and interpretative reading will be held. All of these events are open to all regularly enrolled students, including service men. Interested students should give their names to either Prof. Elden T. Smith or Professor Thompson.

## Not Snowbound

Donna Senecal, Alexandria, N. Y., wears on her bathing suit the insignia of her army boy friends overseas. What's wrong? Doesn't she know any V-12's?

## Sawyer Is Head Of Union Committee

Purpose of the Men's Union will be determined by the men who participate in it, but the committee appointed by the Student Council intends to lay a groundwork of constructive proposals and not to lay out a schedule of things it won't do, Bob Sawyer, A/S, chairman, said today.

Studying methods of organization and activities of other men's groups on the campus of Kent State University and at several other schools is the present action of the committee. Sawyer says that progress this far will be reviewed at a meeting to be held this week, and plans for the next order of business will be made.

This will be the preliminary drafting of the Constitution of the Men's Union. Procedure for ratification of this remains to be worked out, but may not be necessary, since the Student Council constitution provides for a Men's Union and thus gives it official status.

Functions of the Union will probably not be undertaken in earnest until the number of men here grows to about 500, Sawyer said. That places these plans in a post-war category, meaning that the Union will enable returning servicemen to solve their problems, not attempting to present them with any ready-made programs.

## Boots And Saddle Will See Movies

Ella Ann Vaughan, secretary of Boots and Saddle, has announced that the program for the meeting tonight will be movies taken by Mrs. H. G. Hedden, wife of the University riding instructor, at various horse shows during the last year.

She also reminded members that semester dues will be collected at this meeting, which will be held at the home of Dr. Rea McCain.

## Along Fraternity Row

### ALPHA CHI OMEGA

Alpha Chi Omega's national counsellor, Mrs. Darrel Nordwall, Larchmont, New York, visited the chapter here last week-end en route to other Ohio chapters at Columbus and Delaware.

Alumnae Jo Davis and Betty Zimmerman visited the campus last week-end.

Formal pledging was held last night for 17 freshman and three upperclass pledges.

### ALPHA XI DELTA

Alpha Xi Delta serenaded Five Brothers last night in honor of their affiliation with SAE which will take place in the spring. The group sang several SAE songs in addition to those of their own sorority.

### FIVE BROTHERS

Plans are under way for the annual Tip-off Dance, given by the Five Brothers each year in honor of the basketball team. Norman Klee, general chairman, has announced the date for the dance this year to be March 3.

Those who have been initiated into the fraternity recently are: V-12's Dave Morgenroth, Jerry Sessler, Bob Bohl, Harry Hagen, Dick Znaniecki, and Bill Jensen.

Don Macco, A/S, and Bob McGahey, are pledges.

### GAMMA PHI BETA

Gamma Phi Betas recently entertained guests from other Gamma Phi Beta chapters in Ohio.

Betty Printz and Doris Miller, who formerly attended Bowling Green, visited the campus from Wittenberg College. Marcine Percy, of the Ohio Wesleyan chapter, attended pledging ceremonies here last week-end.

## Flying Knight Hails Ek-And BG

"Coming In On a Wing And a Prayer," was the song that Jean Ek, freshman from McPherson, Kansas, was humming on Wednesday, after the Navy TBF plane flew over Bowling Green; for although the salute was a surprise to everyone else on campus, it was a pre-planned date for Jean.

The previous week-end, Jean was a guest at a house party in Detroit, and while there met this air-borne knight, who is an ensign at the Grosse Ile (Mich.) Air Base. When Jean headed back for B.G., her new friend told her to expect to see him any day of the following week from 1 to 5 o'clock. The result: Bowling Green classes were interrupted, and students saw first hand the type of plane that was used in the film "Coming In On a Wing And a Prayer."

On Monday Jean received a letter and a package from X telling how much fun it was to be "Buzzing over B.G.," and he sketched, as if to prove just how low he had been, a picture of the Bowling Green smoke stack on the Ad Building, even to the point of people watching the sky. Also in the Monday's mail, was a box containing four cartons of Hershey's with almonds—96 candy bars! That's in more ways than one, a real Angel from Heaven.

Prof. Daniel Jones, head of London University college's phonetics department, suggests an international alphabet from which any language could be written, the alphabet to be based on the Roman alphabet.—(ACP)

## Third V-12 Military Ball Will Be Feb. 17, Hagen Says

Wendell Hagen, chairman of the Military Ball Committee said today that Henry Armatrou's orchestra will play for the third Military Ball Saturday, Feb. 17, in the Women's Building from 8:30 'til midnight. Navy liberty has been extended to 12:30 for the event.

Norman Dreyer and Willard Burgess are in charge of the decorations. Charlie Hill is undertaking a special construction job. Clem Granoff heads the entertainment committee which is planning a thirty minute show during intermission, featuring some members of the "Scuttlebutt Scandals" cast, plus added talent which has arrived since the comedy review.

## Alumni Magazine Tells of BGSU

A Red Cross worker smiles from the cover of the new Alumni Magazine. She is Frances Williamson, a 1941 graduate from Cedarville, who is serving in Europe.

The new winter edition of the Alumni Magazine which comes off the press February 1 goes on from a good beginning to include such interest-arousing features as two request articles by local dignitaries.

Professor Powell, head of the industrial arts department, writes about the campus changes which have been made under his direction recently. "Educational Opportunities for Veterans" is the title of an article by Dr. B. S. Pierce in which he discusses the work Bowling Green has done and is doing in this field.

The special feature of the new edition is a write-up of alumni in city school administration. Mr. Richard Langstaff, principal of Scott High in Toledo, Mr. Robert H. Christy, Supt. of Schools of Delphos, and Mr. Charles D. Ford, Supt. of Schools of Stubenville, are the three chosen for this honor.

## BG Pre-Registers In February

(Continued from page 1)

Foreign Language: Miss Caroline Nielsen—11-12 daily, 415 daily—314 Administration Building

Art: Miss Catherine Crossman—11-12 daily, 4-5 daily—office

Business Education: Dr. E. G. Knepper—2-5, Monday, Wednesday, and Friday; 3-4, Tuesday and Thursday—office

Health & Physical Education: Mr. W. Harold Anderson—1-3 daily—office

Miss Gertrude Eppler—1-4, Monday and Wednesday; 3-4, Tuesday and Thursday; 8-12, Friday—office

Home Economics: Miss Laura E. Heston—2-5 daily—office

Industrial Arts: Prof. D. J. Crowley—1-4 daily—office

Music: Prof. M. C. McEwen—1-4 daily—office

Speech: Prof. Elden T. Smith—10-12, Monday, Wednesday, and Friday; 3-5 Monday, Wednesday, and Friday; 11-12, Tuesday and Thursday—office

The only exception to the above schedule will be that all elementary education freshmen will meet in 303 Administration Building at 7 p.m., Thursday, February 8, for block registration.

John Donohue and Charles Codding are the technical directors. Doureen Stouffer, Mary Jane Lloyd, and Verena Schumacher are also members of the committee. Lt. H. C. Bold is adviser to the committee.

John Dempsey, who is the committee secretary and business manager, announced that tickets for the dance will be on sale Monday. Students holding activity cards may purchase tickets at \$1.20 per couple. Those not holding activity cards, plus faculty members, may purchase tickets at \$1.80. V-12 students are to be solicited individually starting Monday. All others may purchase tickets at the University business office after 1 p.m. Monday.

Profits will be placed in reserve to finance the Navy's farewell week-end in May. Should plans for the week-end not materialize, provisions have been made to turn the money over to the Navy Relief Society.

Men expecting to bring girls who are not students of the University should register their guests with the Dean of Women's office.

## Journalist To Speak To Assembly Feb. 8

"War and Peace" is the title of the speech which will be given by Dr. Lethrop Stoddard in the University Auditorium at 10 a.m. February 8.

Dr. Stoddard has written many important books, made contributions to magazines, is known as an outstanding journalist and has achieved a real name as a speaker. Prof. John Swartz said today. He is foreign editor of the Washington Evening Star and he has addressed the Naval War College at Newport.
